Note:

- The Bidder shall quote the Prices in the format mentioned above. Prices to be filled in yellow color boxes (in commercial excel sheet) only.
- Please ensure that Annexure 15 Commercial bid is not uploaded with the Technical bid as it will be opened during commercial bid evaluation in second stage. In case any commercial details are found in the eligibility cum technical bid document set, entire bid is liable to be rejected.

We abide by following terms and conditions

- a. For each of the above items provided the vendor is required to provide the cost for every line item where the vendor has considered the cost in BOM.

- b. The vendor needs to clearly indicate if there are any recurring costs included in the above bid and quantify the same. In the absence of this, the vendor would need to provide the same without any charge. Vendor should make no changes to the quantity.
- c. If the cost for any line item is indicated as zero then it will be assumed by the Bank that the said item is provided to the Bank without any cost.
- d. All Deliverables to be supplied as per RFP requirements provided in the tender
- e. The Service Charges need to include all services and other requirement as mentioned in the RFP
- f. The vendor has to make sure all the arithmetical calculations are accurate. Bank will not be held responsible for any incorrect calculations however for the purpose of calculation Bank will take the corrected figures / cost.
- g. All prices to be in Indian Rupee (INR) only. Bank will deduct applicable TDS, if any, as per the law of the land.
- h. Prices quoted by the Vendor should be inclusive of all taxes, duties, levies, GST etc. There will be no price escalation for during the contract period. Bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected
- i. All Quoted Commercial Values should comprise of values only upto 2 decimal places. Bank for evaluation purpose will consider values only upto 2 decimal places for all calculations & ignore all figures beyond 2 decimal places.
- j. If there is any mismatch between Unit cost per year x Quantity x period and the total price quoted by the vendors, then Bank will consider the highest value among both the values for TCO calculation. However the Purchase Order will be placed on lower value.
- k. We hereby give undertaking to the bank to comply with the secrecy provision pursuant to provision of Banking Regulation Act, 1949 and other applicable laws.
- l. Commercial quote signed is final.
