

Clause in RFP:

Sr No.	Clause in RFP	Clarifications/ Changes made
1	<p>Annexure 2: Evaluation Terms 1.A Eligibility Bid Evaluation C. Experience & Support Infrastructure</p> <p>1. The bidder should have supplied & successfully completed at least -2- no's of implementation for proposed virtualization in past 3 Years in Commercial Banks / Financial Institutions / Government / PSU Organizations / IT & ITES / Manufacturing / Large Corporates in India.</p>	<p>Annexure 2: Evaluation Terms 1.A Eligibility Bid Evaluation C. Experience & Support Infrastructure</p> <p>1. The OEM/bidder should have supplied proposed virtualization licenses in -2- Commercial Banks / Financial Institutions / Government / PSU Organizations / IT & ITES / Manufacturing / Large Corporates in India in last 3 Years.</p>
2.	Annexure 20 – Declaration/ undertaking from bidder to comply with the Information and cyber security controls	Annexure 20 is deleted (Duplicate of Annexure 16)
3.	<p>Updated Clause as per Latest GeM Terms & Conditions</p> <p>Liquidated Damages: If the Seller/Service Provider fails to deliver any or all of the Goods/Services within the original/re-fixed delivery period(s) specified in the contract, the Buyer will be entitled to deduct/recover the Liquidated Damages for the delay, unless covered under Force Majeure conditions aforesaid, @ 0.5% of the contract value of delayed quantity per week or part of the week of delayed period as pre-estimated damages not exceeding 10% of the contract value of delayed quantity without any controversy/dispute of any sort whatsoever.</p>	

Additional Project Scope for Automation

Services Scope	
S.No	Description
1	Bidder should engage OEM Professional Services to deliver will be responsible for installing and configuring 45 new ESXihosts across two sites
2	Bidder should engage OEM Professional Services to deliver will be responsible to create 2 new clusters each site and add 45 new hosts (total) to the clusters
3	Bidder should engage OEM Professional Services to deliver will be responsible to create all the configurations for newly created clusters (HA, DRS, Network VLANS etc)
4	Bidder should engage OEM Professional Services to delivers responsibility to design and deploy self-service cloud portal using Aria automation
5	Bidder should engage OEM Professional Services to deliver should make sure Automation solution should be deployed at primary site and vCenter from other site should be added as an end point to the solution
6	Solution should be capable of deploying VMs in both the site via single console
7	Solution should have capability to create custom forms for the end users to request VMs

8	Custom forms should have fields to accept input parameters like RAM, CPU and Storage for the Virtual Machine
9	Bidder should engage OEM Professional Services to deliver should make sure the self-service portal should deploy pre-hardendimages via custom forms
10	Bidder should engage OEM Professional Services to deliver should make sure the cloud self-service portal is integrated with ITSM tool SMAX to create automated tickets when VM is created, changed or deleted.
11	Solution should have capability to create multi-level approval process as per banks requirements when the VM is requested
12	Solution should have workflow to create hostname automatically for the VM when VM is requested.
13	Solution should have internal IP management system to assign IP address to the VMs from a defined pool
14	Solution should have capability to add the hostname to AD and create forward and reverse DNS entries
15	Bidder should engage OEM Professional Services to deliver should make sure that the Automation capabilities are provided to newly create clusters and VMs deployed on new clusters
16	Bidder should engage OEM Professional Services to deliver should make sure all the configuration required (cloud zones, Network profiles, Storage Profiles) to provide the automation capabilities should be configured
17	Bidder should engage OEM Professional Services to deliver should make sure that the existing Aria operations in one site and Aria operations for Logs on both the site is upgraded to latest version
18	Bidder should engage OEM Professional Services to deliver should create up to 3 infrastructure dashboards as per Banks requirements to monitor the infrastructure and VMs
19	Bidder should engage OEM Professional Services to deliver should make sure to integrate the new clusters with existing monitoring solution (Aria operations and Aria operations for Logs) for single pane of glass monitoring
20	Bidder should engage OEM Professional Services to deliver should create custom datacenters in aria operations to make sure the new licenses are assigned to new clusters and have advance capabilities
21	Bidder should engage OEM Professional Services to deliver should make sure that the reports created can be scheduled to be sent over email to designated email IDs
22	Bidder should engage OEM Professional Services to deliver should make sure that Role based access is setup on all the cloud management portals (Aria automation, Aria operations)
23	Knowledge Transfer , User Acceptance Test and Validation post deployment along KT Documentation and Validation Report

Clarification of Pre-bid queries is enclosed as part this Addendum as per 'Annexure A'

Addendum to following Annexures:

Annexure 13 – Masked Commercial Bid

Annexure 14 - Commercial Bid

Note- The vendor needs to submit the revised commercial as per the Addendum format.

All other Terms & Conditions are same as per our RFP no. GEM/2024/B/4683202 Dated 24th February, 2024 for Procurement of VMware licenses for 3 years.

Annexure 13 – Masked Commercial Bid

								AMT (Rs.)	
S. No.	Description	Qty	Y1 Cost	Y2 Cost	Y3 Cost	Total cost for 3 years	GST Amount	GRAND TOTAL Amount Including GST	
1	VMware Cloud Foundation -3-Year * (Part No. VCF-TD-TL-3P-C) (45 Nos. of Servers (64 core each server))	2880	0.00	0.00	0.00	0.00	0.00	0.00	
2	VMware vSphere Foundation -3-Year * (Part No. VSP-PL-TD-TL-3P-C) (23 Nos. of Servers (64 core each server))	1472	0.00	0.00	0.00	0.00	0.00	0.00	
3	VMware vSphere Foundation -3-Year * (Part No. VSP-PL-TD-TL-3P-C) (16 Nos. of Servers procured (64 core each server))	1024	0.00	0.00	0.00	0.00	0.00	0.00	
4	VMware vSphere Foundation -3-Year * (Part No. VSP-PL-TD-TL-3P-C) (35 Nos. of Servers (64 core each server))	2240	0.00	0.00	0.00	0.00	0.00	0.00	
Total Cost of Ownership (TCO) for 3 years						0.00	0.00	0.00	

***License Cost should be split over three years.**

We abide by following terms and conditions:

- The vendor shall mandatorily quote for each of the line items mentioned above. If the cost for any line item is quoted as zero (No value) then it will be assumed by the Bank that the said item is provided to the Bank without any cost.
- The vendor needs to clearly indicate if there are any recurring costs included in the above bid and quantify the same. In the absence of this, the vendor would need to provide the same

- without any charge. Vendor should make no changes to the quantity.
- c. **If there is any mismatch between Unit cost per year x Quantity x period and the total price quoted by the vendors, then Bank will consider the highest value among both the values for TCO calculation. However, the Purchase Order will be placed on lower value.**
 - d. All Quoted Commercial Values should comprise of values only upto 2 decimal places. Bank for evaluation purpose will consider values only upto 2 decimal places for all calculations & ignore all figures beyond 2 decimal places.
 - e. **All prices to be in Indian Rupee (INR) only. Bank will deduct applicable TDS, if any, as per the law of the land.**
 - f. The vendor has to make sure all the arithmetical calculations are accurate. Bank will not be held responsible for any incorrect calculations however for the purpose of calculation Bank will take the corrected figures / cost.
 - g. All deliverables to be supplied as per the requirements mentioned under project scope of this RFP document.
 - h. In the case of additional requirements desired by the Bank during the contract period the maximum order which the Bank can place would be an addition of 30% of the licenses quantity for which order is placed.
 - i. There shall be no price escalation for during the contract period and any extension thereof. Bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected.
 - j. Vendor need to provide year wise cost for the mentioned licenses.
 - k. Separate purchase orders will be issued for BoB and RRBs license requirements.

Further, we confirm that we will abide by all the terms and conditions mentioned above & in the tender document.
