**Re: Approval for floating of advertisement on Bank's website and Local News Papers - Inviting applications for the post of Business Correspondent Supervisors on contract basis**

We refer to ZO letter No: ZO:EKMZ:FI:03/08 dated 13.07.2021 advising to initiate the process of engaging Business Correspondent Supervisors.

Post amalgamation, the policy for engaging BC supervisors was revised and streamlined. As per revised policy for engaging BC supervisor, bank can engage both young candidates as well as experienced retired bankers as supervisors.

Based on number of business correspondents working in our region, we have been informed to appoint 1 BC supervisors in our region to monitor individual business correspondents.

In view of the above, we request you to authorize us to float the advertisement for recruiting Business Correspondent Supervisor for our region in Bank's website and local Newspapers inviting application from interested eligible candidates.

Submitted for Consideration
