I : Present occupation (designation, name of the organisation and brief write-up on experience)

Present occupation: A financial and investment professional, engaged in own consultancy practices.

Brief write-up on experience:

A Senior Banking and Investment Professional.

I am a Post Graduate in Business Management MBA(Finance) and holds a Bachelor's degree in Engineering from Pune University, with over 25 years of extensive experience in the Financial Service Industry across India.

I started my career with leading merchant banker, RR Financial Consultants in Delhi 1995. After that I was with Allahabad Bank for 11 years (1997-2008) and gained experience in fields of banking like Corporate Banking, Investment dept, Treasury, International Banking, Retail Banking and General Banking. Post that I held key management positions at leading global financial institutions and worked as Fund Manager and Head (Fixed Income) with various Mutual Funds including Deutsche Asset Management India Pvt Ltd (A subsidiary of Deutsche Bank) and PGIM India (a subsidiary of Prudential USA). I led from the front in building Asset and investments, balance sheet management & money market and bond trading and strengthen the business with innovative debt schemes and consistent out performance. I have been very successful as a Debt Fund Manager and won several accolades.

I live in Mumbai with my family and devotes my free time to sports, travels, music and photography.

M : Previous occupation covering minimum of past ten years, with complete address of the organisation(s) worked in, date of joining, date of relieving (including reasons), designation ,etc.
