9	8	7	Bank at its sole discretion may split the work between L1 & L2 in the ratio of 60:40 in case of L2 matching the rate of L1 and in case, L2 & L3 matching the rate of L1, the work may be distributed in the ratio of 50:30:20.	Bank shall split the work between L1 & L2 in the ratio of 60:40 in case of L2 matching the rate of L1 and in case, L2 & L3 matching the rate of L1, the work may be distributed in the ratio of 50:30:20 subject to public procurement policy for MSME 2018 If any or all of L2 & L3 bidders are not ready to match L1 rates, option will be given to subsequent bidders in the order of lowest price quoted by them. If none of the bidder accepts L1 price 100% work

				order will be awarded to L1 bidder.
10	8	7	In case one of the MSE bidders is adjudged as L1 the other MSE bidders will not have any reservation since the responsibility of giving 25% to an MSE would be deemed to have been discharged	The following additional point shall be added in clause no 7 In case MSE bidder happens to be L-1, then the distribution of work will be as per normal specified ratio for L-1 and not restricted to 25%.
11			If the bidder who has been awarded with work contract, penalized two times or more during the period of contract , bank reserves right to review his performance and the contract with the said bidder will be terminated with immediate effect and the work allotted to such bidder will be shared amongst remaining successful bidders who have been awarded work order at the discretion of the bank. In this regards Banks decision will be final	If the bidder who has been awarded with work contract, penalized two times during the period of contract , bank reserves right to review his performance and the contract with the said bidder will be terminated with immediate effect and the work allotted to such bidder will be shared amongst remaining successful bidders who have been awarded work order at the discretion of the bank. In this regards Banks decision will be final
