5. **THE TENDERER SHALL NOT MAKE ANY CORRECTIONS/ALTERATIONS /ADDITIONS/OMISSIONS ON THESE DOCUMENTS. CONDITIONAL TENDERS MAY NOT BE ACCEPTED.**

6. The tenderer must obtain for himself on his own responsibility and at his own expenses all the information's which may be necessary for the purpose of filling this tender and for entering into a contract for the execution of the same and must examine and inspect the site of the work and acquaint himself with local conditions and matters pertaining thereto, nature and requirements of the works facilities of transport condition, access and storage of material. The tenderer shall provide in their tender for cost of carriage, freight and other charges as also for any special difficulties and including police restriction for transport etc. for proper execution of the works as indicated in the drawings. The successful tenderer will not be entitled to any claim of compensation for difficulties faced or losses incurred on account of any site condition which existed before the commencement of the work or which in the opinion of the Bank might have deemed to have reasonably been inferred to be so existing before commencement of work.

7. **The contractor should quote the rates in figures as well as in words. The amount for each item should be worked out and the requisite totals given.**

8. All rates shall be quoted on the proper form of the tender alone.

Signature and seal of the contractor

9. Special care should be taken to write the rates in figures as well as in words and the amounts in figures only, in such way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures, the words “Rs.” should be written before the figure of rupees and words “P” after the decimal figures, e.g. Rs. 2.15P. and in case of words, the “Rupees” should precede and the word “paise” should be written at the end, unless the rate is in whole rupees and followed by the words “only”, it should invariably be up to two decimal places. While quoting the rate in schedule of quantities, the word “only” should be written closely following the amount and it should not be written in the next line.

10. The acceptance of a tender will rest with the BANK OF BARODA which does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all of the tenders received without the assignment of a reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.

**The Bank reserves the right to accept the tender in full or in part and the tenderer shall have no claim for revision of rates or other condition if his tender is accepted in parts.**

11. Each of the tender documents/components is required to be signed by the person or persons submitting the tender in token of his having acquainted himself with all the conditions/ specifications as may be laid down. Any tender with any such document / paper not signed or with details marked as applied for shall be out rightly rejected. It will be obligatory on the part of tenderer to tender and sign and tender documents for all the component parts and that, after the work is awarded, he will have to enter into an agreement for each component with the competent authority in the Bank. **CONDITIONAL TENDERS SHALL BE REJECTED.** If any of the documents are missing or unsigned the tender shall be considered as invalid also rates not filled up in any item or marked as actual plus percentages shall make the tender as invalid and shall be rejected.

12. Any additions/alterations made while filling the tender must be attested by initials of the tenderer. Over writing of figures is not permitted. Failure to comply with either of these conditions will render the tender void. No advice or any change in rates or conditions after submission of the tender will be entertained.

13. Initial security deposit: The Amount of Initial Security Deposit shall be 2% of the accepted value of the tender including the Earnest Money Deposit.

14. Security deposit equivalent to 8% of the gross value of each interim bill shall be deducted. 50% of the security deposit shall be returned with the final bill payment and balance 50% after expiry of defect liability period of 12 months from the date of virtual completion as certified by the architect (if appointed by the bank for the project)/Bank’s Civil Engineer. Earnest Money Deposit would be adjusted with the security deposit in the final bill. **Rates quoted are inclusive of all taxes, levies, duties and other charges such as freight, insurance, octroi, loading/unloading, moving the position in site etc. for complete item. However, the GST may be quoted separately as applicable.**

15. Within seven working days of the receipt of intimation from BOB of the acceptance of his/their tender, the successful tenderer shall be bound to implement the contract by signing an agreement in accordance with the terms and conditions of the contract, but the work order or the written acceptance by BOB of a tender will constitute a binding agreement between BOB and the contractors so tendering whether such a formal contract is or not subsequently entered into.

16. All compensation or other sums of money payable by the contractor to BOB under the terms of this contract may be deducted from the security deposit or from any other sum that may be or may become due to the contractor on any account whatsoever and in the event of the security

deposit being reduced by reason of such deductions the contractor shall within 7 days of being asked to do so make good in cash or cheque any sum or sums which may have been deducted from his security deposit.

17. In case where the same item of work is mentioned at more than one place in the schedule of quantities the lowest of the rates quoted by the contractor shall be taken into account for payment of the item.

18. The work should be completed within MENTIONED TIME from the date of the work order issued to the contractor to commence the work or from the date of taken over the possession of the site for commencement of work. If the contractor fails to complete the work by the scheduled date of completion or within any sanctioned extended time limit he will have to pay damages as stipulated for the period that the work remains incomplete. **THE SAMPLES OF ALL THE MATERIALS, APPROVED COLORS/SHADES SHALL BE GOT APPROVED FROM BANK'S ENGINEER BEFORE PROCEEDING FURTHER.** The drawings contain sketches showing salient features, details at the various scale indicating extent of work and specifications to be followed. These can be modified by BOB from time to time in accordance with technical requirements at the site.

19. Any damage done to the property of Bank during execution of work shall be the responsibility of the contractor and it shall be made good by him at his cost to the entire satisfaction of Bank. The Bank shall have full powers to get the material or workmanship etc. inspected and tested by an independent agency for its soundness and adequacy at the cost of contractor.

20. The quantities contained in the schedule are approximate only. The work as actually carried out will be measured up from time to time for which payment shall be made subject to the terms and conditions of the contract.

21. No mobilization advance shall be released to the contractors at the start of work. The final bill has to be verified by the Architect/ Bank's Civil Engineer. **Tender shall be valid for a period of 90 days from the due date of its submission to BOB.** However, the BOB will not be bound to accept the lowest or any tender and reserves the right to accept or reject any or all tenders either in whole or in part, without assigning any reason whatsoever.

22. All items of work mentioned in the schedule of quantities are to be deemed and paid as completed works in all respects and details including preparatory and finishing works involved directly, related to and reasonably detectable from the drawings, specifications and schedule of quantities and no further extra charge will be allowed in this connection. In the case of lump sum charges in the tender in respect of any item of works, the payment of such items of work will be made for actual work done on the basis of lump sum charges as will be assessed to be payable by Bank.

23. The tenderer should note that the tender is strictly on item rate basis and their attention is drawn on the fact that the rates for each and every item should be correct, workable and self-supporting and based on the specification schedule submitted herewith. Financial bids marked as percentages above or below the PWD BSR / CPWD BSR or any such other instrument would be summarily rejected. If called upon by BOB detailed analysis of any or all the rates will have to be submitted. The BOB is not bound to recognize the contractor's analysis. Any plea regarding business secrets/ contractors working confidentialities etc. would not be accepted and such tenders are liable to be rejected.

24. All designated material samples will be tested and inspected at contractor's expense if desired by the Bank at designated laboratories.

Signature and seal of the contractor

25. The contractor shall conform to the provision of all local bye-laws and acts relating to the work and to the regulations etc. of the government and local authorities and of any company with whose system the building is supposed to be constructed. The contractor shall give all the notices required by the said act, rules and regulation and byelaws etc. and pay all charges/ fees payable to such authorities for execution of the work involved. The cost if any shall be deemed to have been included in his quoted rates, taking into account all liabilities for licenses, fees for footpath encroachment, restoration etc. and shall indemnify the employer against such liabilities and shall defend all actions arising from such claims of liabilities.

26. Certificates of purchase of company specified items/ units like tiles, ceiling tiles, chairs, tube lights, vertical blinds, electrical fixtures and fittings and any such other units as deemed necessary by the Engineer have to be attached by the contractors from the authorized distributors/ dealers/ company showroom along with the furnishing bills.
